

FROM THE GROUND

An Unforgettable Country Music Experience!

Presented by:

ZACHARIAH SMITH

I am thrilled to invite you to my show,
"From the Ground Up"

I'll take you on a journey through the world of country music performing well-known hits, featuring some of my favorites that helped shape my life and career. Growing up, I had my share of challenges after losing my dad at only eight years old. My mom raised three boys on her own. My youngest brother Nicholas has a rare form of autism and cannot walk or talk. As the oldest, it was on my shoulders to care for him after school, often missing out on events and participating in sports. However, this responsibility allowed me to discover my passion for music. I picked up the guitar and poured my soul into it every day singing to my brother. Music became my escape and has been the one constant in my life.

As an entertainer at heart, I want to share my passion for music. My original songs showcase not only my Big personality and wide vocal range, but also a vulnerable side that tells a story and captivates listeners. Join me for "From the Ground Up," where we'll celebrate the journey of LIFE through the MAGIC of Country Music.

I can't wait to see you there!
